Robbie is a fast-rising topline from London with a flair for writing songs with instant Pop melodies and RnB undertones, and the voice to match.

He has built his craft around melodic structure and lyrical concepts - ideal for 2021+ Pop & RnB - having worked with some of the UK's top writers including Wayne Hector (The Wanted, Niki Minaj), Mojam (Little Mix), Plested (Lewis Capaldi) & Levi Lennox (ZAYN).

Key US co-writes to date include Justin Gammella, Aaron Gillespie and Castle, while he has also collaborated with Australia's Mashd n Kutcher, Germany's BoyzNoize (Lady Gaga, Will.i.Am, Skrillex) and Canada's DLMT.

Artist sessions soon followed with artists including Ella Henderson, Little Mix, Plested, Raphi, DLMT, DVRKO, Coldabank, Allegro, Devan, Geek Boy, Deep Chills and LANNÉ. Robbie has honed his craft around melodic structure and lyrical thematics for contemporary pop, dance and R&B.
